

THE  
**CONRAN**  
SHOP

**JUST IN ... SHARP, SMART AND  
ELEGANT MONOCHROME**

**6 May 2011:** The Conran Shop presents a new range of black and white furniture and home accessories in strong sculptural shapes that are smart, sharp and elegant. Each piece has been designed exclusively for the Conran Shop inspired by vintage finds. Clean lined chest of drawers have been given a whole new edge with black and white stripes to add a crisp contrast and sculptural side tables, jugs and china ranges have been designed in groups of three to be clustered together for maximum impact. Prices range from £7.95 for the Coupe black and white side plates up to £795.00 for the simple and beautiful round Cornelius dining table on a single turned leg base.

Picture shows from top left:

- The Cornelius table is a beautiful and simple round black stain dining table on a chunky single turned leg base. Hand made for The Conran Shop in India. £795.00. Pictured with white classic Panton chairs £190.00
- Sketch Jug – a set of three hand decorated jugs with a sculptural and modernist quality with the white glaze acting as stark contrast to the black body of the vessel like a sketched outline around the piece. From £45.00
- Jamina side table is a family of side tables in different sizes handmade in India from £135.00
- Black and white stripe cushion in cotton canvas £45.00
- Decorative Side table with handcarved bevelled edges in a black satin finish. Handmade in India and priced at £250.00

- The Handpainted liquorice striped chest will be a striking addition to any bedroom priced at £525.00
- Bar Cabinet in black stain wood is a round and elegant side table on wheels with inside storage for bottles of your choice. £250.00
- Soft black chest of drawers handmade in India £695.00
- Stripe coupe plates from £7.95 as part of a set including cup and saucer and dining plates.
