LIBRATONE BEAT SPEAKER – NEW AT THE CONRAN SHOP

10 March 2011: New at The Conran Shop is the wireless Beat Speaker by Danish designer, Libratone. Providing an audio experience of the highest quality, the new speaker is designed to blend into its surroundings and is covered in cashmere for the finest sound and visual appeal. It is available in slate grey, black, vanilla beige and red and priced from £575. The Beat is an elegant shape and has no cables or wires and a top handle for easy lifting. It works with an ipod, iphone, ipad, mac or pc and comes with a transmitter for your portable devices and a USB transmitter for your computer. One push of a button and it changes between the two – the Libratone is truly a revolution.
